Mission

To emerge as leading skill development company through devising demand driven; employable and self-employable training courses to ensure sustainable livelihood to unskilled and unemployed youth through total customer satisfaction & employee motivation.

Objectives

To provide efficient skill training to the unemployed youth through innovative application of the latest in technology by conducting low cost paid trainings and no cost trainings by utilizing the initiatives of Central and State Government.

To provide an informal yet highly professional environment to our workforce and nurture them to meet the organization's goals as their personal targets.

To achieve excellence in every sphere of operation.

Quality Policy

Committed to achieve customer glee through cost effective and customer-centric Quality I.T. Solutions, that are innovative and continuously upgraded in keeping with emerging technology trends by a motivated workforce, on time, all the time; resulting in maximizing stakeholder value.

Background

- Established Sri Sai Computers Systems in Vizianagaram during the year 1998 with a concept to impart advanced computer skills to the students of High Schools & Colleges; unemployed youth; in-service employees of the area. Mr. B.K.Sharma as being Director has taken franchisee of Datapro Computers Pvt. Ltd. and trained the candidates ranging 200 to 300 per annum.

- During the year 2001-06, executed the prestigious 5 year 'Deepthi' Computer education program to the students of Tribal Welfare Educational Institutions of Parvathipuram ITDA area of Vizianagaram District successfully which is first of its kind.

- Executed the same 'Deepthi' Computer education program in almost all the ITDAs of combined Andhra Pradesh State.

- Later, established Datha Sai Computers in Vizianagaram in order to expand the computer skilling activity which has gained very good reputation to the management.

- Later, Datapro Computers Pvt. Ltd. has instated Mr. B.K.Sharma in to their Management Board. Thereby, the Datapro has reached to its higher altitude in terms of business.

- During the year 2009, imparted computer education in 1154 schools in combined State of Andhra Pradesh as part of launch of '5000 Schools program'.

- During the year 2017-18, in order to take up the computer education program in wider range in India under the dynamic leadership of Mr. B.K.Sharma, it is registered as Private Limited Company in the name of SRIKALASH Edu Skills Pvt. Ltd. on 25.08.2017 under Companies Act, 2013.

- Basing on our experience and expertise, the National Skill Development Corporation (NSDC) has awarded recently funding partnership to our SRIKALASH for fee based model only.

NIAM (National Institute of Agricultural marketing)

National Institute of Agricultural Marketing (NIAM) is a premier National level Institute set up by the Government of India in August, 1988 to offer specialized training, research, education and consultancy in the field of Agricultural Marketing. NIAM is playing a vital role in expediting the reform process and availability of quality managers through its mandate. NIAM is engaged in organizing training programs in the field of agricultural marketing and allied areas for senior and middle level officers from various line departments of State Governments, Cooperatives, Marketing Boards and Agribusiness Entrepreneurs. The institute is also playing an active role in orienting agricultural extension personnel towards agricultural marketing; We worked on NIAM project in various states of India i.e. Manipur, Tripura, Andhra Pradesh, Bihar, Odisha, Jharkhand, Chhattisgarh, Pondicherry, Mizoram, Tripura trained almost 1,500 candidates and receiving continuous work orders from NIAM for the quality in training.

APSSDC (Andhra Pradesh state skill Development Corporation)

The Govt. of AP has formed 7 different Missions to achieve double digit growth for the state and to make AP among the most developed state in the country. Among these, the Knowledge and Skills Mission has been formed to provide trained and skilled manpower to all other Missions. To bring the faster execution State Government Andhra Pradesh has established The Department of Skill Development, Entrepreneurship and Innovation (DSDEI) has been further created to coordinate and synergize skilling efforts of all departments. Under which APSSDC is formed. We have received work order from APSSDC, there on we have trained 60 candidates previous year.

ZBNF (Zero Budget Natural Farming)

Andhra Pradesh Zero Budget Natural Farming (AP ZBNF) is distinct from SPNF, though it drew from SPNF given its cost-effectiveness, scalability, ability to trigger Change, and farmer-friendly options like beejamrit, jeevamrit, neemastra. To increase their income and business abilities the Govt decided to train on Enterprise skills. In this process we have been awarded to take up 2800 farmers on EDP module, we have trained nearly 2000 number ZBNF farmers of Andhra Pradesh till date and remaining 800 farmers training is ongoing under Agripreneurs training program.

Capacity Building training to Village Secretary & Ward Secretary Functionaries with Telecommunications Consultants India Ltd (TCIL) under Government of Andhra Pradesh.

The Govt of Andhra Pradesh has decided to impart residential training to all the Village Secretary & Ward Secretary Functionaries with the curriculum including Key performance indicators, Job charts, Sustainable development goals, Digital and social media, Service rules, record keeping and legal matters. We have trained nearly 71000 functionaries in this regard.

EDP training to VANDHAN VIKAS KENDRA members (PMVDK)

With reference to Van Dhan Vikas Kendra members training, initially we got an opportunity to train 70 members of different VDKs of Seethampeta, the response from the participants is very positive and we have delivered the best training under participatory method, based on the feedback the Project Officer recommended to take up another 6 more batches, which clearly speaks about our performance.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY4.0)

PMKVY is the flagship scheme of the Ministry of Skill Development and Entrepreneurship (MSDE) implemented by National Skill Development Corporation (NSDC). The objective of this Skill Certification scheme is to enable Indian youth to take up industry relevant skill training that will help them in securing a better livelihood. We have successfully completed training for around 500 candidates and nominated training centers at Andhra Pradesh, Assam, Chhattisgarh and Jammu & Kashmir respectively.

SHORT TERM TRAINING

STT component imparted at PMKVY Training Centres (TC) is expected to benefit candidates of Indian nationality who are either school/college dropouts or unemployed. Apart from providing training according to the National Skills Qualification Framework (NSQF), TCs also impart training in soft skills, entrepreneurship, financial and digital literacy. Upon successful completion of assessment, candidates are provided placement assistance by Training Providers.

Assessment Expertise

We have our own assessment team. Further, we are hiring third party experts and conducting assessments in the various Colleges wherein we have provided trainings.

In addition to our Skilling activity, SRIKALASH has formed Assessment Team under the direct supervision of Smt. B.Lakshmi, M.Tech (from REC, Warangal), Managing Director of SRIKALASH. She is expert in assessment of abilities of the trained candidates.

Our main Pillars for Assessment conduct are: - Security, Integrity, Confidentiality, Availability and Accuracy. Our main Power is our Technology which makes our work more delegate and trustworthy.

We have Professional Subject Matter Experts and Assessors in Team who have good qualifications and Experience in Performing Assessment in Different Skilling Fields. We at SRIKALASH, always try to upgrade and Audit our systems and Technology on regular basis to ensure constant and Precise Results.

We have devised Integrated Test Portal for Skill Assessments which includes Instruction Page, Examination process (Theory and Viva), Feedback, Batch monitoring and Geo-locating of candidates.
